PUPPY QUESTIONNAIRE

Our dogs are raised with love in our home. From the time they are whelped there is constant human interaction. We have learned that this acclimates them for the outside world, and provides the basis for sound temperament.

We are very careful about where our puppies are placed, and ask that you complete this questionnaire form. As with any dog, owning a King Shepherd is a tremendous, long-term responsibility and commitment, not a purchase to be made on impulse. Please research and be sure the American King Shepherd is the breed for you.

This form, along with a completed puppy request form must be submitted along with a \$300.00 NON-REFUNDABLE deposit. The deposit will reserve a puppy for you.

In the event the puppy requested is not available, or the preferred sex not available, you may be eligible for a puppy of the opposite sex, or your deposit will be transferred to the next available Highland Mist King Shepherd litter.

I have read and understand the above statement.
